

GUANGZHOU TONGXIN MACHINE MANUFACTORY CO. LTD.

AUTOMATIC BELLY WASHING MACHINE

- Automatic and manual control system.
- Rational Design, Easy to operate.
- Suitable for any type of Garment washing and dyeing.
- Leading position and ideal production.
- Paddle dyeing machine

SEMI-AUTOMATIC INVERTER CONTROL CENTRIFUGAL HYDRO-EXTRACTOR

- Suitable for all types of fabrics/garments such as woven, knit, Sweaters, etc.
- High-grade stainless steel in inner and outer drum.
- No noise and less shaking during high-speed operation.
- Advance inverter technology, adjustable inner drum speed, and power-saving pneumatic door.

SUPER ENERGY EFFICIENT DRYER

- Save Steam over 45%, Save drying time and increase work efficiency.
- Recycle steam coils condensation water to heat air.
- Suitable for any type of Garment.
- Air was drawn from the machine's side plate for easy cleaning.

PADDLE SYSTEM GARMENTS / SWEATER DYEING MACHINE

- Automatic and manual control system.
- Rational Design, Easy to operate.
- Suitable for all kinds of fiber cotton, rayon, and blended fabrics to dye.
- Paddle stirs dyeing liquor automatically so that fabric color is uniform and perfect.

AUTOMATIC/SEMI AUTOMATIC ELEVATOR TYPE DIP DYEING MACHINE:

- The ideal dyeing machine is made of excellent corrosion resistance stainless steel.
- It has two operational modes which are automatic and manual to lift or drop the hanging bracket so that the depth of dyeing can be adjusted at will.
- The dyeing liquor is controlled by a dyeing pump so that it can flow uniformly between cloths.

PP SPRAY CABINET

- The machine is made of excellent stainless steel.
- Rubber sleeves can be inflated and released air rapidly within a short time which is easy for spraying.
- The waterer cycle became a water screen which creates a good working environment and supports environmental protection.
- Easy to operate, humanization and water-saving.

BOX OVEN MACHINE

- The inner drum is made of 304 stainless steel which is excellent and corrosion resistant.
- Advance air blower, rapid cycle, economical and high-efficiency.
- Quick heating up, nearly the same temperature in the inner box perfect effect.
- It is equipped with imported digital thermometers and timers.
